## OPERABLE UNIT NO. 3 PROPERTY ACCESS - JMK-0753-92

EG&G Rocky Flats, Inc., although not the owner of the referenced property, concurs in the attached Department of Energy letter dated June 22, 1992 on access to the property including OU 3. EG&G does not believe that the City of Westminster's access to the property would interfere with the revegetation in progress on the Remedy Acreage or interfere with the ongoing CERCLA sampling activities. We also agree that the City of Westminster should institute good health and safety practices upon entering the property.

If you have further questions, please contact Michael Guillaume of the Remediation Programs Division at 966-8557.
